## Summary

I'm Muhammad Mabrouk Front-End Developer From Egypt. I'm also Work as UI/UX Designer.

I have a lot of experience HTML5 (psd to HTML), CSS3 and jQuery more then 3 years. I can create reliable and cross-browser template for all modern browsers (Chrome, IE, FF, Opera, Safari) for websites of different complexity. I provide a pixel perfect, responsive, semantic, valid, fast and clean code.
